

# EXPOSED

LIFE FROM THE INSIDE

## A Documentary Impact Initiative

A professor of biology, a doctor, a world-class athlete, a green-tech engineer, a counsellor and a criminologist embark on a journey down the Peruvian Amazon that will challenge the foundations of their **identity**, their **relationships** and their perceptions of **freedom**.

# INVITATION

**Be part of an extraordinary adventure. #FeelAlive**

**TANIA COTTON, Producer & Co-Director**
